

Chemical Industry

Today, the chemical industry has to be lean and flexible to succeed, and nowhere does this flexibility pay off more than in your staffing strategy. By analyzing your industry's peaks and valleys, you can pinpoint periods when you will be understaffed. Planning ahead with Lofton Staffing Services can help you be prepared to respond immediately. It all adds up to an operating strategy that is efficient and cost effective.

"I have been using Lofton for over 25 years to provide lab technicians for my lab." - Brian T., BP Lubricants

While many suppliers can handle staffing, few can match Lofton's experience in working with chemical companies including MARSEC and CFATS facilities. Lofton has over 35 years experience in providing a variety of personnel to the chemical industry. Whether you need professional level individuals for projects or permanent additions to your staff, Lofton offers a resource of highly skilled, industry savvy professionals with a wide range of experience, including:

- **Contract Administration**
