

# Oil & Gas Industry

Today, the oil & gas industry has to be lean and flexible to succeed. And nowhere does this flexibility pay off more than in your staffing strategy. By analyzing your facility/rig peaks and valleys, you can pinpoint periods when you will be understaffed.

Planning ahead with **Lofton Energy Services** can help you be prepared to respond immediately. It all adds up to an operating strategy that is efficient and cost effective.

*"Super friendly service! They go above and beyond to help you out." - Jenny, Southern Tank Testers*

While many suppliers can handle staffing, few can match Lofton's experience in working with the oil & gas industry.
