## SAFETY SERVICES

Lofton knows how critical safety is to a successful operation. To that end, **Lofton Safety Services** has the ability to evaluate and establish effective safety systems that will keep both employees and your workplace free from on-the-job mishaps.

Safety is the result of careful attention to all operations by those who are directly and indirectly involved. Employees at all levels must be diligent in following all safety policies. **Lofton Safety Services'** develops systems with our client's concerns in mind for the well-being of our employees as well as their own and to assure compliance with federal, state, and local regulations.

**Lofton Safety Services** can provide your organization with consulting for your safety needs, including:

- OSHA Record Keeping
- Safety Meetings
- Accident Investigations
- Risk Management
- Specialized Policies and Procedures
- Site Specific Safety Training
- Safety Audits
- Database Management
- Regulatory Compliance
- Grant Assistance

To schedule a safety audit or request safety training, contact:
