

# Chemical Industry

Today, the chemical industry has to be lean and flexible to succeed, and nowhere does this flexibility pay off more than in your staffing strategy. By analyzing your industry's peaks and valleys, you can pinpoint periods when you will be understaffed. Planning ahead with **Lofton Staffing Services** can help you be prepared to respond immediately. It all adds up to an operating strategy that is efficient and cost effective.

While many suppliers can handle staffing, few can match Lofton's experience in working with chemical companies including MARSEC and CFATS facilities. Lofton has over 40 years experience in providing a variety of personnel to the chemical industry. Whether you need professional level individuals for projects or permanent additions to your staff, Lofton offers a resource of highly skilled, industry savvy professionals with a wide range of experience, including:

*"We have used Lofton for several different positions and have received well qualified candidates. We have hired most of the candidates Lofton provided."*  
~ Selina M., Human Resources

- Contract Administration
- Operator
- Technical
- Electrician
- Engineer
- Hydro Blaster
- Lab Technician
- Production
- Maintenance
- Safety

- Warehouse

## EVALUATED AND TESTED

Lofton evaluates for a host of industrial skills and traits required for success on the job, including knowledge of specific terminology; safety practices; reading, writing and basic math skills; attention to detail; speed and accuracy in accomplishing tasks; and many others.

Lofton's evaluation process ensures you get chemical plant workers with the exact skills and certifications necessary to meet your demands.

## SAFETY FIRST AND LAST

Lofton knows how critical safety is to a successful operation. To that end, **Lofton Safety Services** designed safety programs to keep our employees and your workplace free from on-the-job accidents.
